Re: Nut-based products in school

Dear Parent/Carer,

Rawmarsh Ryecroft Infant School is a nut-free school and we try to ensure that all nut-based products have been removed from the school premises.

For pupils with a nut allergy, anaphylaxis (allergic reaction) can occur as a result of digestion, inhalation or any other contact with nut-based products. From this point forward, we ask that your child does not bring into school any nut-based products in their packed lunch – this includes products that may contain traces of nuts. Potential allergens could include the following:

- Spreads, e.g. chocolate spread
- Cereal bars
- Some types of biscuit containing nuts
- Condiments, e.g. satay sauce
- Cakes containing nuts
- Some snack pots containing nuts

It is important that you check the labelling of food products before sending your child in to school with them – it is not always apparent that products contain nuts or traces of nuts.

Our school meals already do not contain nut-based products. We will also ensure that all food tables are disinfected before and after use.

If any pupil is found with a nut-based product after this letter has been distributed, children will be asked to not eat the item and it will be sent home at the end of the day.

Thank you in advance for your cooperation with this matter.

Kind regards,

Mrs K Blythe
Headteacher
