Dear Parents/Carers

Parent Governor Election

I am writing to inform you that the Governing Body has a vacancy for a new parent governor to join the Governing Body with immediate effect.

If you are interested in standing for election for this position, you are invited to submit your nomination on the form below, which should be returned by email to ckennelly@ryecroftinfant.co.uk by Tuesday 28th October. If there are sufficient nominations to warrant an election, this will be held on Tuesday 4th November. I will write to you in the near future with further details, if this is necessary.

Your nomination must be supported by another parent of a pupil on roll at the school, who is not a member of your family. Should an election be necessary, each parent nominated will be requested to write a brief personal statement about themselves which will be circulated to all parents to help them decide who to vote for - the school will organise this.

If any parent is interested in becoming a parent governor but is unsure what this will involve, please contact the school on 01709 710599 or by email to ckennelly@ryecroftinfant.co.uk for further information.

Please Note: In order to ensure the safety and protection of children and young adults, all persons appointed or elected to a governing body are now required to undergo an external check against certain lists of individuals who are unsuitable for working with children. If you are successful in being elected as a parent governor you will be required to undertake such a check.

Yours faithfully

Mrs C Kennelly
