FS2 Dinosaur Workshop

Dear Parents/ Carers,

Our topic next half term is called 'Let the world hear you roar!' The children will be learning all about Dinosaurs and this theme will form the basis of a lot of our learning throughout the half term.

As part of the topic, we are lucky enough to have special visitors come into school on **Monday 24th November 2025**. All children will be able to take part in a 'Life Long ago' workshop where they can dig for bones and fossils using brushes and trowels. An expert will be on hand to answer the children's burning questions and to provide them with interesting facts.

Also, a 'life like' baby Tyrannosaurus Rex will come to see the children in the hall where they will be able to see and have the opportunity to ask lots of questions and find out more about the dinosaurs.

In order for us to be able to provide such an exciting and once in a lifetime opportunity for your child, we ask that you would help and contribute £9 towards the cost of the day. This payment can be made via your Arbor Parent Portal from today until **Friday 21st November 2025**. This price is highly subsidised and, due to the specialist nature of the workshop, is actually less than half the price to school.

Thank you for your continued support.

Mrs Sinclair and Miss Horsfield
