Books and Biscuits

Dear Parents and Carers,

At Ryecroft we are passionate about reading and love to encourage not only our children's ability to decode words but also enjoy sharing and reading new and favourite stories.

This year we are keen to develop our children's reading experiences and their ability to talk about and choose to read books again that they have already loved. After its previous success, we will again be holding our annual 'Books and Biscuits' session. This will be a time for families to come into school and share books (and obviously biscuits!) with children and talk to staff about reading.

This term our event will be held on:

Thursday 20th November at 2.30pm
In your child's classroom.

We are looking forward to seeing as many of you as possible.

Read Write Inc

As part of the RWInc programme, children are regularly regrouped and taught by different teachers throughout school. This is done to ensure that each child receives the exact phonics teaching they require and allows them to re-read certain books again to build fluency. This is something that is important when children are early readers and has a positive impact on their confidence and ability to read words on sight. If you would like any further information about supporting reading, please discuss this with your child's class teacher.

Kind regards,

Mrs K Blythe
Headteacher
