After School Activities Information

Dear Parents/Carers,

We are pleased to continue our After School Activities in the Spring Term at Ryecroft. Our clubs are always very popular and well attended.

Next half term, we will be offering the following clubs:

After School IPAD Club starting Monday 5th January for 5 weeks (£3 per session/£15 total)

After School Sports Club starting Tuesday 6th January for 5 weeks (£3 per session/£15 total)

After School Lego Club starting Wednesday 7th January for 5 weeks (£3 per session/£15 total)

All clubs are open to all year groups and will run from 3:20pm-4:20pm.

If you are interested in your child joining one of these clubs, please email clubs@ryecroftinfant.co.uk confirming your child's name, class and which club they would like. Places will be allocated on a first come, first served basis and will be confirmed via email. Parents/Carers will then need to log into Arbor to confirm registration and make payment by the cut off date of **Friday 19th December 2025**.

If your child is eligible for Pupil Premium Funding, we will continue to offer one free After School Club place during the current academic year.

Please note that a selection of clubs will be available in school each half term. We cannot guarantee which clubs will be available during a specific half term and there are a limited number of places available for each club.

A reminder that school also currently offer After School Wraparound Care. This is available every day from the end of school until 5:45pm at £8.50 per session and includes a teatime snack. Children attending will also be able to access After School Activities if running on the same day at no extra cost. Places can be booked through Arbor.

Yours faithfully

Mrs K Blythe
Headteacher
