

Maths Challenge

Year 1 -Spring Term 1

I can count in 2s, 5s and 10s (up to 10 lots of)

By the end of this half term, children should know the following facts and be able to recall them **instantly**.

For Example;

2, 4, 6, 8, 10, 12, 14, 16...

5, 10, 15, 20, 25, 30...

10, 20, 30, 40, 50...

Key Vocabulary

Lots of

Sets of

Groups of

Multiples of

The important aspect of this challenge is that children can count forwards in 2s, 5s and 10s.

Mastering the facts

If your child knows these facts, they can practise counting in 2s, 5s and 10s starting from a different number. For example, "count in 2s starting from 10".

Top Tips

The secret to success is practising little and often. You could practise while walking to school or during a car journey. Online games can also help children practise their maths skills (*please see our website for suggestions*).
