Year 1 Family Learning Event - 'Living Planet - Rainforest Rangers'

Dear Parents and Carers,

We will be holding a Family Learning Event in school on **Wednesday 4th February at 1:00-3:00pm** for our Year 1 families.

Parents are invited to come along and join their child in school for the afternoon to raise awareness of our living planet, focusing on the role of rainforests and their contribution to the health of our planet.

Families will examine a variety of artefacts commonly found in the rainforest and create their own miniature ecosystem - a terrarium. They will discover the various layers and the correct planting method needed to create and care for their very own living ecosystem.

If you would like to book a place for you and your child, please contact school via the clubs email address: clubs@ryecroftinfant.co.uk

There are just 8 places available for this course which will be allocated on a first come, first served basis.

Due to limited space and the nature of this event, unfortunately we are unable to accommodate siblings. Our apologies for any inconvenience this may cause.

Please note that this is a free event delivered by Rotherham Family Learning. A course enrolment form will be required to be completed by the parent/carer attending on the day.

We hope you can join us!

Yours faithfully

Mrs K Blythe
Headteacher
