Year 2 Family Learning Event - 'Creative Clocks'

Dear Parents and Carers,

We will be holding a Family Learning Event in school on **Tuesday 10th March at 1:00-3:00pm** for our Wise Owls families.

Parents are invited to come along and join their child in school for the afternoon to support time telling through the design and creation of a clock and setting the correct time.

Families will support numeracy through accurate placement of clock numbers on their decoupaged clock and develop STEM skills through the assembly of a simple clock and battery mechanism to complete their working clock.

If you would like to book a place for you and your child, please contact school via the clubs email address: clubs@ryecroftinfant.co.uk

There are just 8 places available for this course which will be allocated on a first come, first served basis.

Due to limited space and the nature of this event, unfortunately we are unable to accommodate siblings. Our apologies for any inconvenience this may cause.

Please note that this is a free event delivered by Rotherham Family Learning. A course enrolment form will be required to be completed by the parent/carer attending on the day.

We hope you can join us!

Yours faithfully

Mrs K Blythe
Headteacher
