Dear Parents and Carers,

Communication With School

We are always keen to ensure that communication between home and school is clear, efficient and timely.

To help us respond to messages as quickly as possible, we kindly ask that all enquiries, notifications and requests are sent to the school administration email address:

admin@ryecroftinfant.co.uk

Our admin email is monitored throughout the school day by office staff, ensuring that messages are received and directed to the appropriate member of staff promptly. This is the most reliable way to contact the school regarding absences, appointments, changes to collection arrangements, or any general queries.

While Class Dojo is a valuable tool for sharing information and celebrating learning, please be aware that teaching staff do not have access to Class Dojo throughout the school day. As teachers are focused on teaching and supporting the children, they are unable to regularly monitor or respond to messages sent via the platform effectively. Staff will usually only access Class Dojo when adding information and this is not something done daily. We want to ensure that families can find information they require and nothing is missed. Please remember our school website is always useful.

We always prefer to talk to our families and by having staff at the doors and myself at the gates every day, we try to be as available as possible.

Thank you for your support and understanding

Yours Faithfully

Mrs Kate Blythe
Headteacher
