

Maths Challenge (KIRF)

Year 2 - Autumn Term 1

I can count in 2s, 5s and 10s forwards and backwards

By the end of this half term, children should know the following facts and be able to recall them **instantly**.

2, 4, 6, 8, 10, 12, 14, 16, 18,

20, 22, 24, 26, 28, 30

5, 10, 15, 20, 25, 30, 35, 40,

45, 50, 55, 60.....

10, 20, 30, 40, 50, 60, 70, 80,

90, 100, 110, 120 ...

Key Vocabulary

Lots of

Sets of

Groups of

Multiples of

The important aspect of this challenge is that children can count forwards and backwards and from any number!

Mastering the facts

If your child knows these facts, can they use the facts to solve practical problems?
e.g. - 'I have 5 packets of sweets. There are 2 sweets in each packet. How many have I got altogether?'

Top Tips

The secret to success is practising little and often. You could practise while walking to school or during a car journey. Online games can also help children practise their maths skills (*please see our website for suggestions*).
