
Halves

This week we have been learning to find half of a shape and number.

Can you colour in half of these shapes?

Can you work out half of these numbers? You could use some objects to help you.

A half of 6 is

A half of 10 is

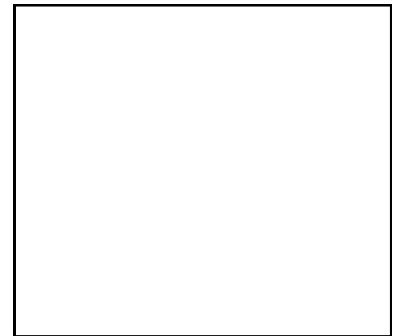

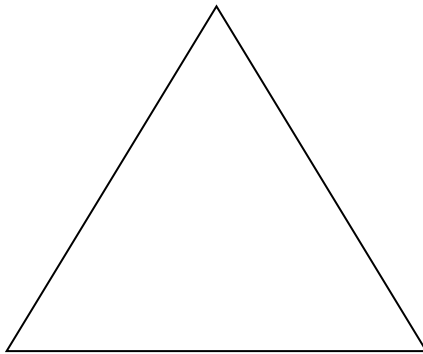

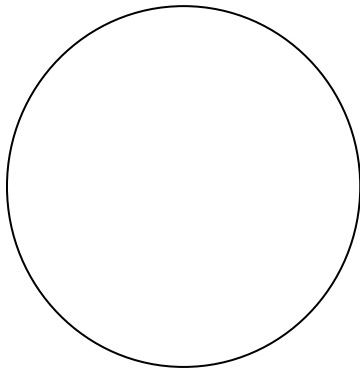

A half of 4 is

A half of 14 is

Halves

This week we have been learning to find half of a shape and number.

Can you colour in half of these shapes?

Can you work out half of these numbers? You could use some objects to help you.

A half of 16 is

A half of 12 is

A half of 14 is

A half of 18 is

Circle half of the objects.
